## Salary Determination

- The ODNI uses a rank-in-person system in which rank is attached to the individual. A selected ODNI candidate or other Federal Government candidate will be assigned to the position at the employee's current GS grade and salary.
- For a selected non-Federal Government candidate, salary will be established within the salary range listed above, based on education and experience.
- A current Federal Government employee, selected for a detail, will be assigned to the position at his or her current grade and salary.

## Component Mission

The Office of the Director of National Intelligence (ODNI) Deputy Director of National Intelligence for Intelligence Integration (DDNI/II) serves as the Director of National Intelligence's (DNI) senior leader for intelligence integration across the IC enterprise. DDNI/II is responsible for ensuring customer outcomes by leading advances in collection and analysis that ensure the quality, timeliness, and utility of insights for the nation's decision-makers. Additionally, DDNI/II is responsible for increasing expertise and improving tradecraft at all levels through specialization, integration, and collaboration. DDNI/II is responsible for the strategic vision, direction, and planning to deliver a more integrated IC reflecting the collective wisdom of our collection and analytic components to advance, in support of the National Intelligence Managers, the Unifying Intelligence Strategies (UIS).

## Major Duties and Responsibilities (MDRs)

- Manage all enterprise equities related to special programs for the National Intelligence Management Council (NIMC), including administration, oversight, adjudication and identification of mission areas.
- Lead NIMC effort to develop, test, train, and sustain, continuity plans and drive mission requirements in support of IC-wide continuity planning.
- Maintain awareness of improvements in and/or changes to continuity, emergency management, and procedures in order to better evaluate training needs and competencies of IC employees.
- Support in the management and coordination of strategic and tactical projects, execute action taskings associated with assigned projects, and provide project status and reporting.
- As directed coordinate operational and administrative matters, review and investigate issues, and develop initial solutions and options; maintain situational awareness of issues affecting organizational equities and the status of multiple projects.
- Research and write drafts of talking points, correspondence, executive summaries, communications, presentations, and briefing materials; prepare activity reports and summaries.

## Mandatory Requirements

- Extensive knowledge of continuity, critical infrastructure, and emergency management principles, including demonstrated ability to identify, evaluate, and recommend appropriate courses, programs, and solutions to develop required workforce skills and abilities to address mission needs.
